ENGLISH TREE SERVICE GAINS TREE CARE INDUSTRY ACCREDITATION

Program helps consumers find high-quality tree care companies

English Tree Service, Inc., a commercial and residential tree care company located in Oklahoma City, Oklahoma has been accredited under a new Tree Care Company Accreditation program administered by the Tree Care Industry Association (TCIA) which has a membership of over 2,000 tree care companies and built on the threefold foundation of ethics, quality, and consumer confidence. English Tree Service, Inc. is the second tree service in Oklahoma and the first in the Oklahoma City Metro area to be accredited.

The new program represents the only business practices and compliance audit process in the tree care industry. Under the process, businesses undergo extensive review of professional practices aimed at safeguarding consumers. The review includes:

- ▶ best business practices
- ▶ ethical business conduct
- ▶ formal training and certification of employees
- ▶ compliance with industry standards
- ▶ consumer satisfaction
- ▶ adherence to safety standards
- ▶ insurance coverage

TCIA Accreditation means English Tree Service, Inc. adheres to all the accreditation standards and has undergone a rigorous application process. TCIA verified this by conducting an on-site audit of English Tree Service, Inc. facilities and work sites.

TCIA Accreditation for English Tree Service, Inc. is in effect for a period of three years, with renewal check-ups required every year. The annual renewal ensures that the company continues to employ trained professionals, is still properly insured and has a good safety and consumer satisfaction rating. The company is re-accredited every three years.

According to TCIA president Cynthia Mills, “TCIA Accreditation provides consumers a way to find tree care companies that are trustworthy in their business and tree care practices. Our TCIA Accreditation program is the only one of its kind in America and will give consumers peace of mind.”

The process of becoming accredited is no easy task. According to Charlie English, president of English Tree Service, Inc., “The process is incredibly thorough. They left no stone unturned. We are pleased to be recognized as one of the best tree care companies around.” Mills echoes that sentiment. “English Tree Service, Inc. has made a commitment to excellence in all facets of its business. I applaud their efforts.”
